To Whom It May Concern:

Kudos to you and your wonderful restaurant. We ate dinner at your fine restaurant the evening of April 22<sup>nd</sup>. The atmosphere was great, the food was outstanding and the service we received from Ben was simply the best.

My husband and I also own a business and it's not often you hear the good comments but you always hear the bad. So I wanted to take a minute to express my satisfaction and say thanks for a most enjoyable evening.

Dear everyone,

My father, Arthur R. Cloey, Jr., was a proud man and served in the United States Army Air Corps during World War II receiving a purple heart for his honorable efforts. He was born on June 10, 1925 in Washington DC and passed away on December 10, 2008 in Florida. He now lays to rest in Arlington National Cemetery.

Our family had the good fortune of discovering your restaurant. We had our family and friends for dinner after the burial in March 2009. In March, 2010, we just revisited Arlington Cemetery and Café Italia. The staff and service couldn't have been better each time. We so appreciate your attention and kindness.

In my fathers honor and remembrance, we would love for you to place this plaque in your restaurant. If possible, in the back right corner.

Again, thank you. We will look forward to our next visit and meal at your restaurant. Good luck and good health to all of you.

Best Regards,

Cafe Italia.

We were engaged in your Restaurant after eating the most delicious meal last year during a visit to WA DC and we'd be honored if you'd hang our plaque over what we will forever consider to be "our table"; table #18. We look forward to enjoying many years of anniversaries and hope to make the trip from California to Virginia many more times for more wonderful Italian food to celebrate them.

Thank you so much for your  
food & your welcoming hospitality,
